

2026 SeedMoney Challenge!

Description

We have some exciting news! Two FOUA gardens, the Terborgh Terrace Garden (TTG) and the Highlands Urban Garden (HUG), have been accepted into the 2026 SeedMoney Challenge, a 30-day fundraising campaign running from November 15 through December 15! SeedMoney's annual Challenge helps gardens like ours raise funds from their communities and earn grants on top. No platform fee is taken out of what we raise. We can also earn a Challenge Grant of up to $1,000 based on our final fundraising ranking, plus additional bonus grants.
