

Winter is the Time to Read a Good Book on Farming & Food

Description

Winter is a time when we put our gardens to bed and have time to read a good book on farming and food. To help you find that good book [Food Tank](#) has several book lists:

[has several book lists.](#)

[The Spruce has a list of small farms and homesteading books.](#)

[Good Reads has a list of urban farming books.](#)

[From Civil Eats – Our Favorite Food and Farming Books of 2017](#)

[11 Cookbooks That Will Help You Achieve All Your Foodie Resolutions](#), Rodale's Organic Life

[A collection of books on regenerative agriculture and related topics](#), Regeneration International

What are your favorite books? Go to our [Facebook page](#) and share them with us!
Happy reading!
